PETITION TO THE COMMISSIONER UNDER 37 C.F.R. § 1.181 Address to: Mail Stop: Issue Fee Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450	Attorney Docket	10991572-1
	First Named Inventor	J. Robert Mitchell
	Application Number	09/426,111
	Filing Date	October 22, 1999
	Group Art Unit	1743
	Examiner Name	DWAYNE K. HANDY
	Title: "FLUIDIC STRUCTURES WITHIN AN ARRAY PACKAGE"	

Sir:

This petition is submitted to the Commissioner of Patents and Trademarks under 37 C.F.R. § 1.181(a). This Petition is being filed in response to the Notice of Abandonment dated March 7, 2005.

Applicant hereby petitions for revival of this application. Attached herewith is a copy of the Notice of Allowance and supporting evidence showing unavoidable abandonment. Payment of the requisite issue fee is also provided.

On April 6, 2005, the Applicants filed a Petition under 37 C.F.R. §1.181(a) to withdraw the Notice of Abandonment in view of the filing of a timely filed RCE in this application.

Since filing that Petition, the Applicants have discovered that the Examiner mailed a Notice of Allowance for the RCE on August 12, 2004, which was not received at the correspondent's address. As stated in MPEP 711(c):

Under the reasoning of *Delgar* [*Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971)], an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action.

Correspondence in the subject application is sent directly to the assignee, Agilent Technologies, Inc., who maintains a detailed mail log. Upon receipt, Agilent reviews and forwards relevant correspondence to outside counsel, of which Bozicevic, Field & Francis is one. In support of the contention that the Notice of Allowance was not received by the assignee, the Applicants submit herewith copies of the mail logs on working days that span the date of mailing of the Notice of Allowance (August 12, 2004) to September 10, 2004 (Exhibit A). If the Notice of Allowance had been received it would have been recorded in one these mail logs.

In addition, the Applicants submit herewith a printout of the Mail Log Window from their docketing system for the subject application (Attorney Docket No: 10991572-01) (Exhibit B). This Mail Log Window shows all mail received for the subject application from September 3, 1999 to April 13, 2006 (i.e., from the "Date Created" to the "Last Update" dates shown in the Mail Log Window). This document confirms that the Notice of Allowance mailed August 12, 2004 from the Office was not received by Applicants. The Applicants have provided the text of the Mail Log Window entries in a separate sheet due to the low quality of the reproduction.

In view of the non-receipt of the Notice of Allowance mailed by the Office on August 12, 2004, revival of the unavoidably abandoned application is respectfully requested. As stated by the court in *In re Mattullath*, App. D.C. 497, 514-15, the word unavoidable "requires no more or greater care or diligence than is generally used and observed by prudent and careful men in relation to their most important business. It permits them in the exercise of care to rely upon the ordinary and trustworthy agencies of mail and telegraph . . . If unexpectedly, or through the unforeseen fault or imperfection of these agencies and instrumentalities, there occurs a failure, it may properly be said to be unavoidable, all other conditions of promptness in its rectification being present."

If in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned at (650) 327-3400.

While no fee for this Petition is believed due, the Commissioner is hereby authorized to charge any fees which may be required by this paper, or to credit any overpayment, to Deposit Account No. 50-1078, order no. 10991572-1.
